MAYSVILLE SPIRIT IS HIGHLY PRAISED BY KENTUCKY EDITOR

Lexington Leader Says Maysville's Example in Community Spirit Should Be Followed By Others.

The Lexington Leader Friday said editorially:

The two tours of bluegrass towns just concluded by Lexington business men should be repeated annually, with an extension of these pilgrimages into Kentucky fields.

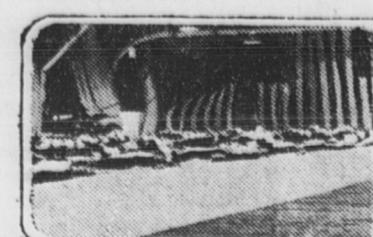

The benefits derived from these trips are manifold. For one thing, they give opportunity to the business men of Lexington to know each other better.

"Get acquainted with your neighbor, he may be a pretty good fellow," is a saying which contains far more truth than poetry.

In recent months many new men have come to Lexington to engage in business. They are highly desirable citizens and should be heartily welcomed. Some of them have become fairly well known in commercial and social circles, others, overly modest, are yet comparatively unknown to most of us. Some of these new-comers were on the motor trips just made under auspices of Board of Commerce.

Another benefit derived from tours like these is the lessons that may be learned from small and less pretentious cities. The community spirit that was found at Maysville, for example, was inspiring to every visitor. The boys' band of that city was a wonderful evidence of this. Maysville business men contribute \$5,000 a year for the support of this musical organization. It is composed of boys and girls ranging from eight to thirteen years of age, who are under the direction of a competent band master. Concerts are given frequently at a stand erected in the business center of the city or in the opera house. No charge is made for music furnished for any local function of a public nature. As for the character of the music, it must be heard to be appreciated. Every town could in this respect follow Maysville's example—if it had the vision and the spirit of genuine community interest.

All of the bluegrass towns are progressive and prosperous. There was not much evidence of idleness on the farms. Everywhere there were plowed and planted fields, everywhere the white-covered tobacco beds. If we do not have good times in Central Kentucky this year, it will be on account of untoward events yet to happen.

P.T. ASSOCIATION ELECTS OFFICERS FOR THE YEAR

Interesting Meeting of First District Parent-Teacher Association held Friday.

One of the most interesting Parent-Teacher Association meetings of the year was that held at the First District school Friday afternoon. The program consisted of a group of songs by the Third Grade girls. The Japanese song, in costume, was especially enjoyed. Little Miss Catherine Glascock played a beautiful violin solo. The principal feature of the program was an address given by Mrs. Clarence Wood. Those present will long cherish in their memory the message of the afternoon. Her presence and message was a great pleasure to all.

The work of the pupils in each grade was on exhibition and the rooms were suitably decorated for the occasion. Much praise was given both teachers and pupils for the excellent work they have been doing.

Miss Emma DeBold's room won the new flag, her room having the largest number of visitors present.

The following officers were elected for the coming year.

President—Mrs. Staider.

First Vice President—Mrs. R. G. Knox.

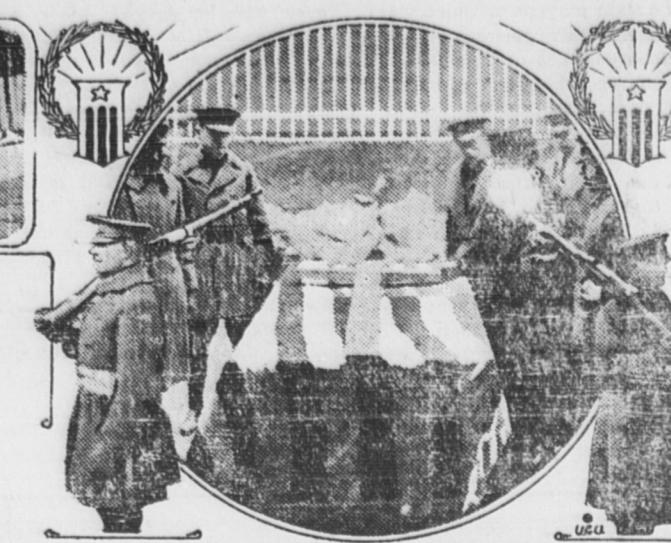

Second Vice President—Mrs. Percy Lee.

Secretary and Treasurer—Miss Virginia May Hurd.

You are invited to hear Col. Smith Sunday afternoon at the Third Street M. E. church.

Herbert Clay Hazel, aged 28, of Cincinnati; and Miss Helen Louise Hayes, aged 21, of this city, were married in the County Clerk's office here this afternoon by County Judge H. P. Purcell.

All local banks will be closed all day Monday in celebration of Memorial Day. M28-2t

True to Our Trust

Memorial Day this year brings with it a new touch of sentiment in the return of the bodies of our soldiers who gave up their lives on the battlefields of France. Many hundred new graves have already been turned. It is thought virtually all of the bodies will be in our own soil by the end of the year. These pictures show some of the flag-draped caskets upon arrival at our Atlantic port docks.

TWO ARE ACCUSED OF WHISKY THEFT

Liquor Stolen From Tarr Distillery Hat Not Been Located Combs Admits.

Lexington, Ky., May 29.—James H. Combs, Prohibition Director, Friday stated that his department had taken into custody at least two of the band of masked men who in March removed 94 cases of whisky from the Tarr Distillery bonded warehouse, but that they had not recovered the whisky, which was confiscated at Versailles by the Government when in transit.

According to Director Combs, one of the men, whose name he did not disclose, and whom, he says, now is working in Cincinnati and reporting twice weekly to District Attorney Slattery's office in Covington, has confessed that he received \$1,000 from two men to "pull off the job," and that they sent the six other men who assisted him.

David A. Vick, who was admitted to \$5,000 bail by Commissioner Ward, is the latest to be arrested as a result of the theft.

REMOVED TO HIS HOME AFTER OPERATION.

Arthur Post American Legion will be held at Beechwood Park beginning at 2 o'clock and a very attractive program has been arranged for this service. The chief speaker will be Hon. Matthew J. E. church on Sunday afternoon and Colonel Dan Morgan Smith, prominent Chicago attorney and commander of the famous "Battalion of Death" will be the speaker. Col. Smith is recognized as one of the greatest platform orators of the day and is in constant demand for Lyceum and Chautauque lectures. His address will be free to all and the public is cordially invited.

FAILURE IS MET IN THE EFFORT TO OVERRIDE VETO

Supporters of Lodge Peace Resolution Are Unable to Muster Enough Votes To Go Over Veto.

Washington, May 29.—Lacking 29 votes of the necessary two thirds, the House failed Friday to pass the Knox resolution ending the war with Germany and Austria over President Wilson's veto.

The result was not unexpected. The vote was 220 to 152, 17 Democrats joining with Republicans in attempting to override the veto, while two Republicans voted with the Democrats to sustain it.

Before starting the fight on the floor, Republican leaders predicted that the veto would stand by a margin of ten, but nevertheless announced their determination to make the fight just the same and let the record go before the people.

After the vote was announced by Speaker Frederick H. Gillett, Representative E. D. Brooks, Republican, of Illinois, insisted that he had voted with his party and he was so recorded.

Preceding final action, which again ended efforts to establish peace, there was an hour of debate in which the President's position was assailed by Republicans and defended by Democrats.

Do You Want Your Kidneys Examined On?

Kidney troubles are getting more common every day. Government health bureau figures say deaths from this course are 72 per cent more than 80 years ago.
Anybody who suffers constant backache, who has dizzy spells, headache and urinary disorders should suspect kidney weakness. Overworked kidneys must have a rest. Take things easier; live more carefully. Take a good kidney remedy to build the kidneys up again.

But be sure to get Doan's Kidney Pills—the oldest, the most widely used, the best recommended of all kidney pills, now in use all over the civilized world. Ask your neighbor. Don't experiment with your kidneys. Thousands have already tested Doan's. You have their experience to go by. Plenty to choose right here in Maysville. Here we are.

Mrs. W. A. Schatzmann, 605 E. Second St., Maysville, says: "From the benefit I have received from Doan's Kidney Pills, which I buy at J. J. Wood & Son's Drug Store, I have every reason to recommend them. When my kidneys have been irregular in action, or I have suffered from weakness and lameness in the small of my back, I have used Doan's Kidney Pills. They have always proven sufficient to quickly cure an attack."

Prices are at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pill—the same that Mrs. Schatzmann had. Foster-Milburn Co., Mts., Buffalo, N. Y.

SOILED MONEY SENT**TO THE LAUNDRY.**

The process by which soiled bank bills are cleaned and the Treasury Department enabled to make a large savings in paper, ink and labor annually, is perhaps not generally known to the public. The process is so successful, however, that it seems a pity this money-laundry is not available to all of us who so frequently are disgusted by the appearance of bills we are compelled to accept.

In the government's laundry the notes are placed on endless bands which pass in and out between a series of heavy copper rollers. These rollers revolve in a special kind of soap, and as the bills pass backward and forward they are washed and rubbed clean. They next pass between rollers running in clean water, and thus are thoroughly rinsed. Lastly they go through heated rollers which dry and iron them, leaving them almost as crisp and clean as when first printed.

SUNDAY SCHOOL LESSON.
MAY 30, 1920.
Topic: The Value of Aggressive Leadership.
1 Sam. 14:6-13.
REV. J. J. DICKEY.

The lesson is an account of an adventure of Jonathan, the son of King Saul, in which he caused the stampede of the army of the Philistines which was encamped against the Israelites. It was a bold and daring deed, but Jonathan had prayed and he believed that God would give him the victory, and he did. The Philistines had disarmed the Israelites so that they were not prepared to fight. So it became necessary for God to interpose in order that the Israelites might gain their freedom. So God used this young Prince to deliver the people. God can always find a way to protect and defend those that serve him with all the heart. Jonathan is one of the brightest characters in the Bible. While his father was vacillating and unfaithful, Jonathan was true to God and the right. He is a worthy example for all young men. The Bible is the place to look for models, and for the methods by which we may become models worthy of imitation. It is marvelous what God can accomplish through the instrumentalities of one godly young man. There is everything in the Christian life to appeal to the heroic in the young. Worldly heroes are lauded and admired, but Christian heroes are a much higher class. Their glory is not confined to this world, but it is in the future state their characters will be revealed and their rewards will be received. God loves heroes of the true type and He promises them a glorious immortality. One must read several chapters to get the setting of this lesson. It will richly repay perusal.

BOILLOT GIVES PEUGEOT TEAM EDGE IN BIG INTERNATIONAL RACING CLASSIC

With Jules Goux and Andre Boillot in the fold, the prospects of the French Peugeot racing team in the eighth international 500-mile sweepstakes on the Indianapolis speedway, Monday, May 31st, begin to assume a decidedly rosy hue, and it is the freely expressed sentiment of the wiseacres that Peugeot is the team the rest of the contenders will have to beat.

Andre Boillot looms up as a worthy successor to the laurels that crowned the brow of his famous brother,

Georges, conceded to be the greatest driver who ever held a steering wheel. In the last Targa Florio, run over the difficult mountain passes of Sicily, he gave the most sensational exhibition of driving in history.

His American racing debut was made during the Indianapolis contest in 1918, when running in third position within twenty miles of

the finish he lost a wheel and was eliminated. The mount that Boillot handled on this occasion was of the same size as those being groomed for this year's classic, and it was largely due to its excellent showing against its larger rivals that the new sweeping racing rules limiting piston displacement to 183 cubic inches were placed into effect.

RALPH DE PALMA, MOST POPULAR RACE DRIVER, ENTERS FIGHT FOR \$50,000 PLUM

Ralph De Palma, the most popular auto race driver in all history, who firmly imbedded himself in the memory of racing enthusiasts when he pushed his car to the pits in the 1912 sweepstakes held at Indianapolis, after he broke a connecting rod but five miles from the finish tape, has signed to compete for \$50,000 offered as prize money in the speed classic

Speedway Expects Greatest Long Distance Attendance In History

Youngest of Famous Racing Brothers Enters 500-Mile International Race

Gaston Chevrolet, youngest of the famous racing brothers, has been named as the second member of the Monroe team which will compete with a trio of cars in the 500-mile race for \$50,000 to be held at the Indianapolis motor speedway, May 31.

Gaston broke the world's record for the 100-mile mark in competition when he won the 100-mile free-for-all Independence Day race at Sheephead Bay last season with an average of 110.5 miles per hour. Later in the year he made an average of 108.95 miles per hour over the same track when he won the 150-mile Labor Day event. Teaming with Joe Boyer, he won the 225-mile race at the Uniontown track, and he was sixth in the list of drivers in all races for the year.

Indications show that the 1920 attendance will equal or better the record made in 1914, when more than 100,000 persons saw Rene Thomas, driving a Delage, romp across the finish line a winner. Numerous requests for reservations are coming from Detroit, Chicago, St. Louis, Louisville, Cincinnati, Toledo and many other cities.

Tours' managers have interested themselves in arranging parties in all parts of the United States to travel to the coming 500-mile race in special trains, and a large party originating at Boston is already assured.

EX-SOLDIER KILLS FATHER AND MOTHER

Dispute Over Planting of Field of Corn Causes Boy to Murder Mother and Fatally Wound Father.

Athens, O., May 29.—Following a dispute over planting a field of corn Ross Howard, 32, ex-soldier, shot and instantly killed his mother, 70, and wounded his father, Lewis Howard, 73, early today, according to a report to local police.

The shooting occurred at the family home near Amesville, 15 miles from here. Howard fled and a posse is searching the hills for him.

Young Howard and his father had started out for the day's work when a dispute over the proper marking out of a field of corn arose. Angered the young man returned to the home and obtained a revolver with a threat to kill his father.

The mother interferred and was shot down. The elder Howard fled after his wife had been murdered, the report said, and Howard pursued him, firing three bullets into the old man's back.

He then beat him about the head and face with the revolver butt, fracturing his skull. The father will die, physicians said.

I cannot thank you enough and recommend your medicine to my friends who are sick."—Mrs. S. SAGATANSKY, 25 East 17th St., Bayonne, N. J.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for forty years, and today hold a record for such wonderful success as does Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

CONSTIPATION**And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.**

This is the greatest historical sketch ever given on the late war. Hear Col. Smith Sunday afternoon.

CONSTITUTION**AND GOOD FRESH BUTTERMILK Home Made Pies Peach Cobbler**

Meadows, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative on the market.

Theford's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it.
